In re Application of: Gazeley)
Application No. 10/594,129) **DECISION ON PROTEST UNDER**
Filed: September 25, 2006) **37 CFR §1.291**
For: GOLF CLUB GRIP)
)

This is in response to the protest under 37 CFR §1.291 filed on February 26, 2008.

37 CFR § 1.291 states, in pertinent part, the following:

37 CFR 1.291. Protests by the public against pending applications.

(b) The protest will be entered into the record of the application if, in addition to complying with paragraph (c) of this section, the protest has been served upon the applicant in accordance with §1.248, or filed with the Office in duplicate in the event service is not possible; and, except for paragraph (b)(1) of this section, the protest was filed prior to the date the application was published under § 1.211, or a notice of allowance under § 1.311 was mailed, whichever occurs first:

(1) If a protest is accompanied by the written consent of the applicant, the protest will be considered if the protest is matched with the application in time to permit review during prosecution.

(g) Protests that fail to comply with paragraphs (b) or (c) of this section may not be entered, and if not entered, will be returned to the protestor, or discarded, at the option of the Office.

The protest has not been filed prior to the date of publication of the application and has not been accompanied with the applicant's written consent. Therefore, the protest does not comply with 37 CFR § 1.291 and in accordance with § 1.291(g), the papers have not been entered into the application and have been discarded.

Any inquiry regarding this decision should be directed to Josie A. Ballato, Special Program Examiner at 571-272-3567.
